Statement from Rome Young Surveyors Conference

APPENDIX 1: Statement from the FIG Young Surveyors Conference:

Based on our workshop sessions the young surveyors answered the following questions:

1. The FIG and Member Associations can best support young surveyors by...

- ... Encouraging each country to nominate a young surveyor representative to FIG and to each FIG Commission
- ... Entrusting young surveyors with more responsibility, and delegating young surveyors with roles in decision making processes
- ... Ensuring information flows between the FIG and young surveyors
- ... Opening new doors of connection with international companies for internships and collaboration
