# the next FIG - events

by

**Rudolf Staiger**

FIG-President

Meeting the sister-organisations

June 2019  
Hanovre (Germany)

Geodäsie und Geoinformatik

Die Welt vermessen. Zukunft gestalten.

Leibniz  
Universität  
Hannover

**ICA** = Int. Association of Cartography  
**IAG** = Int. Association of Geodesy  
**ISPRS** = Int. Society of Photogrammetry  
and Remote Sensing

Prof. Rudolf Staiger  
President FIG

Prof. Monika Sester,  
Vice-President ICA

Prof. Harald Schuh  
President IAG

Prof. Christian Heipke  
President ISPRS

# what are the sister organisations doing?

- Most of them do not meet every year (Congress every 4-years)
- **ISPRS** shifted their Congress from 2020 to 2021 and lately again from 2021 to 2022
- **IAG** will have the next Congress in 2023
- **ICA** shifted their congress to december 2021 (Italy)

Status	Until April 2020	April 2020	October 2020	June 2021
Year	Country	Country	Country	Country
2020	NL ww	cancelled	cancelled	cancelled
2021	Ghana ww	NL, ww	E- working week NL	E- working week NL
2022	South Africa Congr	South Africa Congr	South Africa, Congress	Poland, Congress
2023	USA, ww	USA, ww	USA, ww	USA, ww
2024	Aus /Poland, ww	Ghana, ww	Ghana, ww	Ghana, ww
2025	???, ww	Aus /Poland, ww	Australia /Poland, ww	Australia, ww
2026	Congress	Congress	Congress	South Africa, Congress

Council and FIG-Office is observing the situation very carefully!

we were also in close contact with the LOCs of the next events

# FIG Council decided yesterday

1. The FIG Congress **2022** will take place in **Warsaw** (Poland)
2. The FIG working week **2025** will take place in **Brisbane** (Australia)
3. The FIG Congress **2026** will take place in **Cape town** (South Africa)
