Attention: Louise Friis-Hansen, FIG Director

Re: Nomination of Vice President for 2023-2026 term

Dear Louise

The Canadian Institute of Geomatics would like to nominate Brian Davies for the position of Vice President of the International Federation of Surveyors (FIG) for the 2023-2026 term.

Brian has been a member in good standing with the Canadian Institute of Geomatics for many years and has served two terms as President and continues to serve CIG as a council member and Chair of the Vancouver, B.C. branch.

CIG will provide financial support for Brian should he be elected as Vice President. We have attached his completed paper work and trust you will find this in order.

Best Regards,

Mir Abolfazl Mostafavi, Ing., PhD.

President
