Real Estate Planning
and Land Law

Composition of EU universities

- In principle universities with which the Dept. already has academic and personal contacts, and
- which complete each other in fields relevant for the programme

16 June 2008

FIG WW in Stockholm
Leif Eidenstedt

Real Estate Planning
and Land Law

Suitable non-EU universities

- In principle universities with which we have a long tradition of cooperation, mainly through KTH's Land Management Programme
- Its desirable that the university has former LM-students among their employes
- **There must be a genuine interest from the partner university to introduce new programmes/courses**
