Resource Management
for All

Accra, Ghana

Welcome!

The screenshot shows the FIG website's navigation menu with options like Home, News, Organisation, Members, Resources, Partners, Foundation, Events, About FIG, and Highlights. The breadcrumb trail reads: Home > Organisation > Networks > Capacity development > FIG Africa Task Force. The main content area features a header for the 'Africa FIG Capacity Development Network' with a photo of a group of people. Below this is a section for the 'Regional Capacity Development Network' and 'Africa Regional Network'. A red box highlights the 'Aim of the Network' and 'Chair' information.

Aim of the Network

"By 2030 Africa Land Professionals will

- Provide global thought leadership, and
- Promote professional leadership qualities, - amongst its members within their Associations"

Chair

Discussions on five challenges – Think on these for later discussions

- What are the top FIVE challenges influencing CCD?
- How can these challenges be overcome?
- What should FIG (and like-minded organisations) do to support or assist CCD?
- What are the next tangible steps?

Reminder – Next Session for Discussions

TS11C: Regional Capacity Development Networks – Collaboration Forum 2

Wednesday, 22 May 14:30–16:00 Royal Dragon - African Corner, La Palm

- What are the top FIVE challenges influencing CCD?
- How can these challenges be overcome?
- What should FIG (and like-minded organisations) do to support or assist CCD?
- What are the next tangible steps?
- Goal is to develop a Declaration of principles that support building the capacity of land professionals to enable them to effectively embrace current global trends together with relevant partners.
